# About the firm

Founded by Mr. A. K. Mysamy in Chennai in 1956, A. K. Mysamy and Associates, LLP (AKM) has grown into a prominent law firm over the last six decades of its existence. Led by experienced partners and guided by senior corporate advisors and former judges, we offer a nationwide comprehensive suite of legal consultation services.

At AKM, we combine profound legal expertise with cutting-edge technology to deliver practical, business-centric solutions. Our unwavering commitment to professional ethics and a client-centric approach drives us to simplify complex legal matters through personalized, strategic guidance.

## Our Vision

We envision becoming the foremost full-service Law Firm in India, and our goal is to lead the legal landscape by crafting personalized legal strategies, harnessing technology, nurturing talent, and upholding the highest professional standards.

## Our Mission

Our mission is to uphold the highest standards of professional ethics while providing top-tier services. We achieve this by seamlessly merging our legal expertise with a profound understanding of our clients' business needs.

# Core Values

## Trust and Ethics

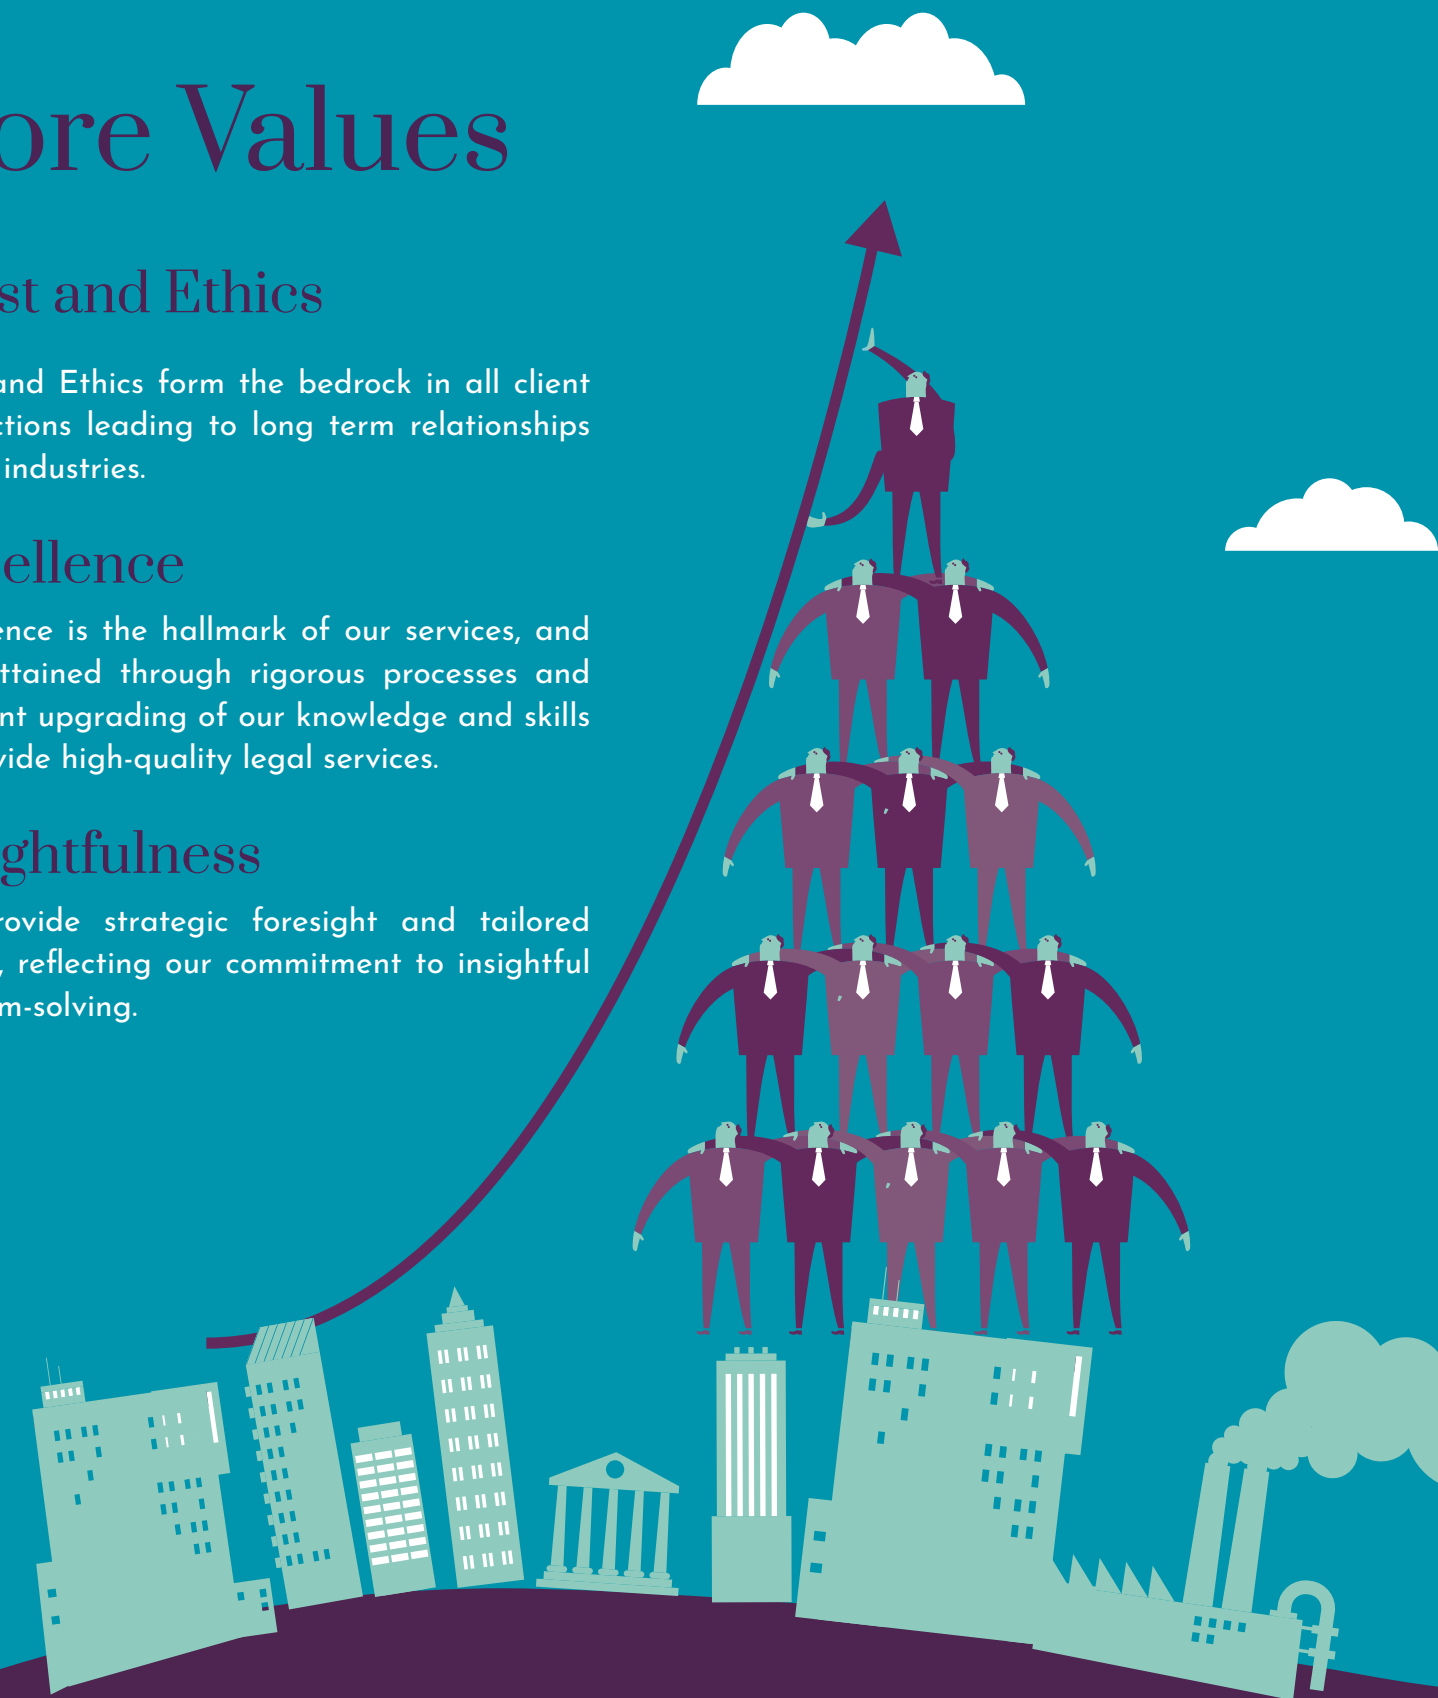

Trust and Ethics form the bedrock in all client interactions leading to long term relationships across industries.

## Excellence

Excellence is the hallmark of our services, and it is attained through rigorous processes and constant upgrading of our knowledge and skills to provide high-quality legal services.

## Insightfulness

We provide strategic foresight and tailored advice, reflecting our commitment to insightful problem-solving.

# Practice Verticals

Our seasoned professionals bring extensive experience and excellence to deliver meticulously crafted legal solutions across a diverse spectrum of practice areas.

From complex Corporate & Commercial challenges to astute Dispute Resolution strategies, our approach is marked by client centricity professionalism, and resolute assertiveness. We provide alternative resolutions through arbitration and mediation, ensuring efficient solutions thereby optimizing time and resources. In the field of restructuring, our expertise guides clients through the complex IBC framework.

Additionally, our mastery of Taxation issues, Mergers and Acquisitions, and Litigation nuances are honed with precision and practicality, safeguarding the client's interest at all times. We shape ethical Governance, Policy, and Regulatory landscapes while guiding startups to fuel growth and innovation.

Our portfolio spans comprehensive array of domains, including laws relating to Non-profit Organizations, Trusts & Charitable Institutions, Banking and Finance, Real Estate, Sports and Entertainment law, Privacy and Data Protection, Intellectual Property Rights, and Foreign Exchange Laws.

## Corporate & Commercial

Our Corporate, IBC & Commercial practice reflects our holistic knowledge of navigating diverse corporate law landscapes. We cover a wide range, from corporate advisory, structuring & re-structuring, due diligence and recovery process etc. Our scope extends to Mergers & Acquisitions, Schemes, Corporate Governance, Capital Markets, Winding-up, Insolvency Resolution Process, which includes pre insolvency stage, during corporate insolvency resolution period (advisory for the CoC and RP etc.,) and post insolvency (implementation and other issues etc.,), acquisition of distressed assets, preparation of resolution plan and liquidation process (both Voluntary and Court ordered).

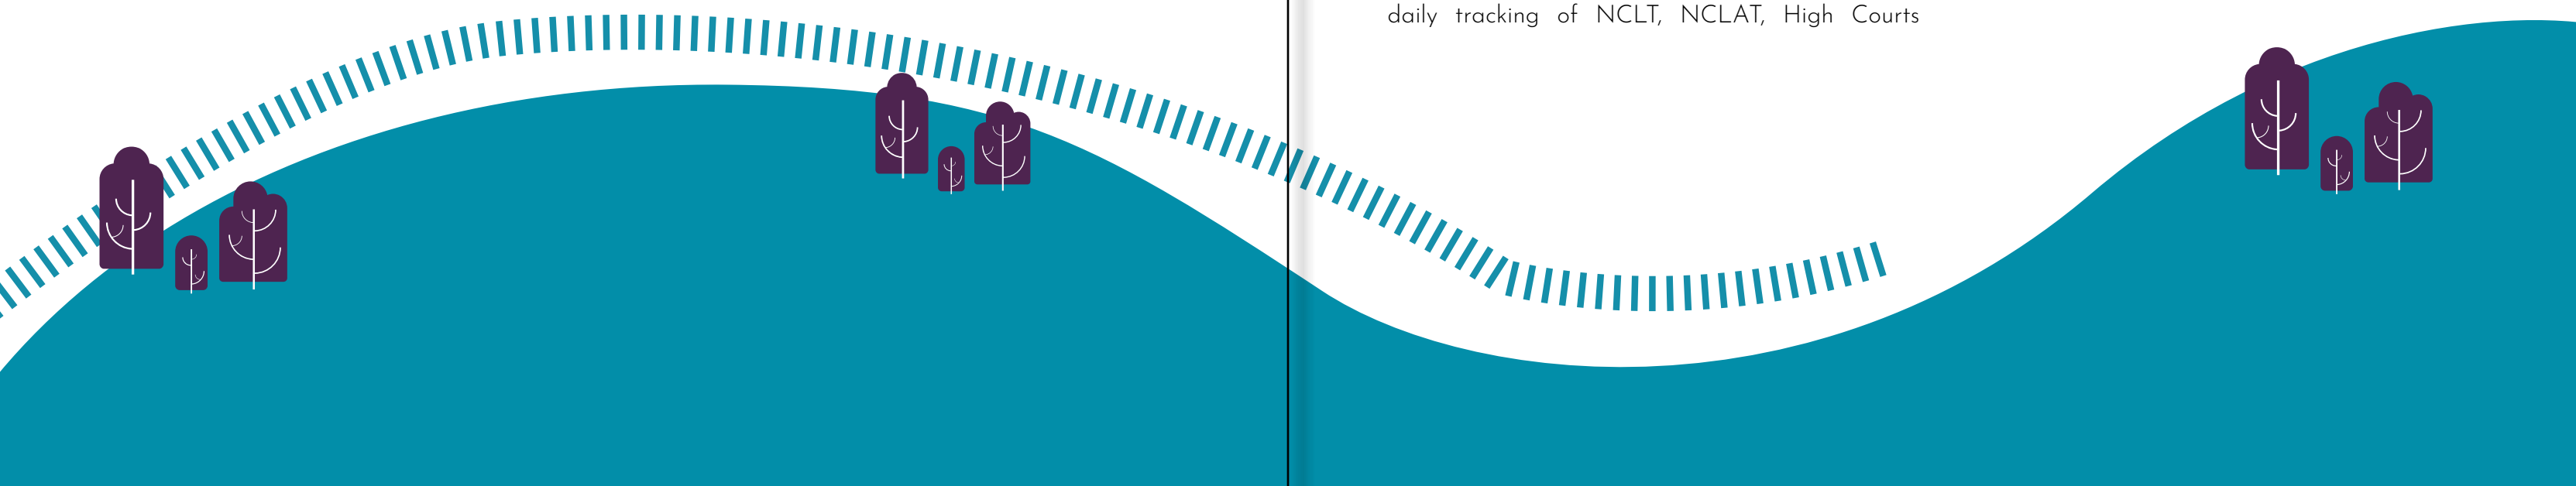

A significant facet of our portfolio is our proficiency in resolving shareholder disputes and representing clients before tribunals like the National Company Law Tribunal (NCLT), National Company Law Appellate Tribunal (NCLAT), High Courts and the Supreme Court. Our seasoned team advises on various corporate operations, including, private equity transactions, joint ventures, and ESOP implementation. We have expertise in handling any type of commercial /corporate contracts.

## Restructuring and Insolvency

We stand along with you in the complex realm of restructuring and insolvency, offering comprehensive advisory services customized to both creditors and debtors in IBC resolution cases. Our expertise spans the formulation of meticulous legal strategies, exhaustive due diligence, and the adept drafting of resolution plans. What truly distinguishes us is the unique insights brought by the presence of the former Company Law Chairman and Vice Chairman who are on AKM's expert panel.

Our dedication is this area underlined by our daily tracking of NCLT, NCLAT, High Courts

and Supreme Court judgments, providing real-time updates that enable us to deliver leading-edge solutions. Our commitment to excellence is further powered by AKM Research & Analytics Pvt Ltd, driving pioneering tools like [www.ibccases.com](http://www.ibccases.com) - a comprehensive IBC case law database. Our services encompass the entire spectrum, from the identification of default to the issuance of legal notices, the filing of operational creditor & financial creditor applications, and comprehensive representations for corporate debtors.

# Banking and Finance

Our Banking and Finance practice offers advisory services to banks, non-banking financial companies (NBFCs), and various financial institutions. Our seasoned counsels include representation before regulatory authorities like the RBI and extends to tribunals and courts.

We excel in regulatory compliance requirements and adeptly guide clients through the complexities of RBI, FEMA directives, and the SARFAESI Act. We specialize in debt recovery, representing clients before Debt Recovery Tribunals (DRTs) and Debt Recovery Appellate Tribunals (DRATs).

# Dispute Resolution

We excel in arbitration and mediation services that transcend traditional litigation, providing efficient avenues for dispute resolution. The arbitration practice benefits from the insights of former Judges, ensuring impartial proceedings. In mediation, we offer both advocacy services and trained mediators to facilitate the process. We strive to achieve amicable and expeditious resolutions across domains.

# Foreign Exchange
